To Whom It May Concern,

I am writing this letter to confirm that **Mr. Nikola Matoski** was an employee at Ryactive Software Development Agency from the 1st of March, 2021 until the 6th of June, 2023. During his time with us, Mr. Matoski served as a UI/UX designer, demonstrating a strong commitment to our team and a high degree of expertise in his field.

Nikola was involved in various projects serving our diverse clients across the United States and the Middle East, showing exceptional professionalism and creativity in his work. His designs were noted for their innovative approach and user-centered focus, ensuring a seamless and engaging user experience.

Ryactive Software Development Agency has had the privilege of being selected as a supplier for the Sandbox program, run by the Dubai Technology Entrepreneur Centre by Dubai Silicon Oasis. As a significant part of Nikola's responsibilities, he served as a UI/UX consultant for this program, providing expert feedback to startups within the program. His rich insights and visionary approach played a crucial role in defining and enhancing the user interfaces and user experiences of numerous innovative projects.

In addition to his duties with the Sandbox program, Nikola was integral to the successful launch and operation of the Startup Garage program. This initiative was launched by Ryactive Software Development Agency in a collaborative venture with Manipal University Dubai Campus. Nikola was an instructor and consultant in UI/UX design, where he translated his profound knowledge and passion into enriching and guiding the program's participants. His ability to articulate complex concepts with simplicity and enthusiasm has left an enduring impact on these emerging entrepreneurs.

I am confident that Nikola's exceptional skills, strong work ethic, and dedication to the craft of UI/UX design will make him a valuable asset to any team. Please do not hesitate to contact me if you require any further information.

Sincerely,

Husam Bamatrif

Director
